On Monday, 5th December 2016 at 6:00 pm, the DZNE presented the 35th installment of our event (DZNE, 53115 Bonn).

The event started with a talk by Prof. Carsten Finke, entitled *Music and Memory*. Prof. Dr. Carsten Finke is Assistant Professor in Clinical and Cognitive Neuroscience at the Department of Neurology of the Charité Universitätsmedizin Berlin and the Berlin School of Mind and Brain. He studies patients with diseases affecting the medial temporal lobes using behavioral testing and structural and functional MRI.

For his CD recording of his own piano transcriptions and paraphrases of orchestral works, the young Belgian pianist Florian Noack was named "Emerging Artist of the Year, piano" by ECHO Klassik, a prestigious award, which confirms the unique talent of this exceptional musician. Florian Noack has won numerous prizes at national and international competitions, and received various grants and scholarships from Spes, Banque Populaire and from the Mozart Gesellschaft. www.floriannoack.com

First Prize winner of most important international violin competitions such as Henri Marteau, Rodolfo Lipizer and Aram Khachaturian, the French-Russian violinist is quickly establishing himself as one of the most exciting soloists of today. www.fedorrudin.com
